BECOMING A MEMBER OF UNLIMITED CHURCH.

We're delighted that you are coming along and taking part in the life of Unlimited. Everybody is welcome and hopefully included at Unlimited, but as an expression of being a committed part of Unlimited and what we're about you might want to become an official member!

If you agree with the vision and values of the church and want to be actively involved in supporting them, then it would make sense for you to be a member.

Active involvement is about using the gifts that God has given you to support the vision of the church. Obviously, to be doing that you also need to be coming along! Being a member also means that the church is committed to you, your discipleship and wellbeing. You also get to vote at the annual church meeting!!*

If you are still willing to commit to Unlimited in this way, please fill in the form below:

**UNLIMITED
CHURCH**

BECOMING A MEMBER OF UNLIMITED CHURCH.

VISION & VALUES

Our primary purpose:

To provide young people with the opportunity to encounter the God they've never met and live the difference

Our vision:

We seek to be a church for all ages that helps young people to:

- Know and pursue the life that God has given them
- Throw off the things that hold them back from that life
- Deal with the unhelpful beliefs and practices that entangle them
- Fix their eyes on Jesus – who began it all and will complete it

Our values:

As we pursue our mission as a church, we aim to be:

1. Unlimited by church culture and tradition – where it is unhelpful, unnecessary or inappropriate. We want young people to be themselves as they explore and express faith, rather than having to take on a form of church culture. We want to be real and relevant.
2. Unlimited in our openness to and love of people – treating them as unique & as God's made them to be. We want to see people, especially young people, as God sees them and as he's made them

to be, rather than labelling them or writing them off. This love also needs to be expressed practically in social action locally and globally.

3. Unlimited in our faith and expectation of God – living by faith not inhibited by past experience or fears. We want our theology to come from God's truth not a version coloured by our experience. We want to grow as people of faith living expectant that God guides and speaks specifically into our lives and the church's.
